BETWEEN THE OCEAN AND BAY, Jim Clark, 7 July 2010

Jim Clark, a renowned and local photographer-author discussed his book, "Between Ocean and Bay" which showcases the extraordinary beauty of the eastern shores of Delaware, Maryland and Virginia. This stunning photography book offers a look at a region of abundant wildlife, beautiful beaches, idyllic farms and seaside communities. This collection reveals through words and images the eastern shore's life and land and includes detailed photographer's notes and extended captions describing how and where each photograph was taken.
